

Timeline

Planning For the Future – Careers in Healthcare

- I. What they are going to learn, review what we learned last time (5 min.)

- II. But you don't just have to be a nurse or a doctor (5 min.)
 - A. Other opportunities / every personality, all interests
 - B. Hot Jobs booklet (description, salaries, schools)
 - C. Website (career management, definitions to medical terminology, updates)

- III. Interest Assessment (10 min.)

- IV. Review Assessments and divide up in groups (5 min.)

- V. In your group research your career and determine what your role is in the healthcare field (10 min.)
 - A. Pass out careers
 - B. Pick a patient and describe their illness

- VI. Present findings in front of the class (15 min.)
 - A. How will you help them?
 - B. Why are you important?

- VII. Closing (3 min.)
 - A. There are an unlimited amount of health careers out there for you to choose but it is never too early to start thinking about your future. Pass out a business card to everyone with the website on it. Assignment for next Friday to look over the careers because we will have a recap the next time I am here.
